America's Snake: The Rise and Fall of the Timber ...

"America's Snake" is revelatory in describing how amazing Crotalus horridus, the timber rattlesnake, is as decades of research is starting to show. The giant threat that I imagined lurking in the Connecticut woods of my youth is an amazing, ancient, non-aggressive, and vital part of the woodland ecosystem.

America's Snake: The Rise and Fall of the Timber ...

"America's Snake explains the history and decline of one of the more besieged species of rattlesnake, the timber rattlesnake. . . . Levin provides the reader with a comprehensive overview of rattlesnake biology, as well as setting out the current threats to the species' persistence. . . .

Assigned to review Ted Levin's America's Snake: The Rise and Fall of the Timber Rattlesnake (University of Chicago Press, \$35), our intrepid reviewer Michael Swingen instead made a 30-minute film about the book, the author, and the process of reviewing.

America's Snake: The Rise and Fall of the Timber ...

Reading Ted Levin's "America's Snake: The Rise and Fall of the Timber Rattlesnake," I found out that I was not alone in my fear and relief and that I was horrifically short-sighted in that fear and relief. For as far back as my memory allows, I have been terrified of snakes.

Amazon.it: America's Snake: The Rise and Fall of the ...

But such reactions, cited in Ted Levin's fine natural history, America's Snake: The Rise and Fall of the Timber Rattlesnake, come mostly from the careless or unlucky. Indeed, a central point of the book is that timber rattlers are not aggressive and pose little risk to humans.

America's Snake: The Rise and Fall of the Timber ...

We also come face to face with hucksters, such as the "Cobra King," who in his lifetime collected 9000 of the snakes for illegal trade, and who sold maps to Timber dens for \$50, and guided tours for \$5000. In America's Snake, the rise and fall of the timber rattlesnake is examined, scale by scale.
