The Prentice Hall  
“World History” book  
does just that. It  
presents the material  
in an organized fashion  
and uses color-coding  
to identify important  
terms, ideas, people  
and places. At the end  
of each chapter are a  
few focus questions  
that help reinforce the  
information presented  
by having students  
stop and think about  
what they’ve just read.
