in the SOLIDWORKS PDM vault. Manual Notifications. Manual notifications are notifications users send explicitly. Automatic Notifications. Automatic notifications are notifications that are triggered by actions on files and folders.

2021 SOLIDWORKS PDM Help - Notifications

The other fascinating component here is that I wasn't making a project to show to hundreds of thousands of people. As you might remember from last year, Jeremy, in addition to being a longtime SOLIDWORKS user in production, has a YouTube channel that is currently surging towards 400k subscribers at time of writing. But hey, that's Jeremy - a self-proclaimed (difficult) project-based learner.
