Early Watch Alert (EWA) Setup. Step-by-Step guide | SAP Blogs

Figure 1: A landscape going through a change process in iterations to adapt to emerging business opportunities and new technologies. (To see a video explaining the picture step-by-step, click the link or the figure; use the cc button to switch sub-titles on or off.). In the picture, you see a landscape evolving from an pure on-premise to a hybrid landscape including cloud systems.

Landscape Management Process - SAP Support Portal Home

Thanks for the wonderful post sir, i have made 3524 inverter years ago and i'm using it, but it is a square wave inverter. I think it's time to upgrade it to a sine wave. Sir, i have plenty questions to ask concerning the PWM. I don't want to use IC555 for generating PWM, i would prefer to use the SWPM opamp method using IC741.
